Little Apple® Dollars Program Agreement

Your Manhattan Area Chamber of Commerce is working hard to keep shopping dollars in Manhattan. Little Apple® Dollars encourages people to shop locally which, in turn, strengthens our economy and supports business growth.

Over $76,000 in Little Apple® Dollars were issued in 2009 and spent in the Manhattan area. By accepting Little Apple® Dollars at your business, you are helping to keep money circulating in our community!

Little Apple® Dollar Program Specifics:

- You must be a Chamber member in good standing to participate in the program
- There are no fees or costs to participate in the program. Just a promise to accept Little Apple® Dollars when they are presented at your business.
- The goal of the program is to keep shopping dollars in the community. The Chamber does not assess a fee of any kind to each check or keep a percentage of the total sales.
- Little Apple® Dollars are actual checks on a bank account maintained by the Manhattan Area Chamber of Commerce. The Chamber stands behind each and every genuine Little Apple® Dollars check issued.
- Little Apple® Dollars are treated exactly as a check and may be deposited in your bank as any other check. When the customer's purchase is not for the total value of the Little Apple® Dollar, cash should be returned. For example, if the purchase is for $22 and the Little Apple® Dollar is for $25, deposit the $25 check and give the customer $3 back in change.
- The Chamber will provide your business with a window cling that advertises you accept Little Apple® Dollars. You will be listed on the Chamber's website, the card included with each check purchased, and other Little Apple® Dollar marketing materials.

The business listed below agrees to accept Little Apple® Dollars as legal tender for goods and services provided to the bearer of Little Apple® Dollars. Upon request, the Manhattan Area Chamber of Commerce will remove your business from participation in this program.
